General Meeting:

Nathan Potter, Sarah Konrad, and Sue Niezgoda gave a presentation on the 2006 Laramie Enduro 111K Bike Race. Very interesting slideshow and description of race by the three participants. Nathan is an expert-level single-speed mountain biker, Sarah is a world-class biathlon competitor and Olympian as well as mountain-bike and road-cycling expert rider, and Sue Niezgoda is an intermediate rider who is also BikeNet co-president.
